

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF MT. OLIVET)	CASE NO. 9918-V4
NATURAL GAS COMPANY, INC.)	

O R D E R

On August 10, 1987, in Case No. 9918, the Commission approved certain adjusted rates for Mt. Olivet Natural Gas Company, Inc. ("Mt. Olivet") and provided for their further adjustment on a quarterly basis in accordance with its gas cost adjustment ("GCA") clause.

On January 8, 1998, Mt. Olivet filed its GCA proposed to be effective from January 1, 1998 to April 1, 1998.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Mt. Olivet's notice proposed revised rates designed to pass on its expected wholesale increase in gas costs to its customers. Mt. Olivet's proposed expected gas cost ("EGC") of \$4.6029 was based on the NYMEX for December. Because of the current lower levels of gas prices, the EGC should be estimated using the more current NYMEX information for February and March. The EGC should be \$3.2733 per Mcf.

2. Mt. Olivet has no current supplier refunds to return to its customers. The total refund adjustment is .05 cent per Mcf.

3. The notice set out a current quarter actual adjustment ("AA") of 1.88 cents per Mcf to reconcile gas cost from July, August, and September 1997. The total AA of 17.44 cents per Mcf reflects the current under-collection as well as under- and over-collections from previous quarters.

4. These adjustments produce a gas cost recovery rate of \$3.4472 per Mcf, \$1.2740 per Mcf less than the prior rate.

5. The rate adjustments in the Appendix to this Order are fair, just, and reasonable, in the public interest, and should be approved with gas supplied on and after the date of this Order. Mt. Olivet did not give the 30 days notice required for rates to be effective January 1, 1998.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Mt. Olivet are denied.
2. The rates in the Appendix to this Order are fair, just, and reasonable, and are effective for gas supplied on and after the date of this Order.
3. Within 30 days of the date of this Order, Mt. Olivet shall file with this Commission its revised tariffs setting out the rates authorized in this Order.

Done at Frankfort, Kentucky, this 11th day of February, 1998.
